About WorldSkills ASEAN

WorldSkills ASEAN is the largest showcase of professional and technical skills in the ASEAN (The Association of Southeast Asian Nations) region and brings the objectives of the WorldSkills movement to Southeast Asia.

The skills competition was initiated by an agreement among ASEAN member countries in 1993 and aims to promote and raise skills standards in the ASEAN region to an international level, as well as to motivate youths to develop their skills and knowledge. ASEAN member countries take turns to host the biennial WorldSkills ASEAN Competition.

The competitors represent the best skilled talents and are selected from national skills competitions in ASEAN member countries. They demonstrate highly skilled technical abilities both individually and collectively in their respective industries.

Objectives of the WorldSkills ASEAN

- ◆ To promote the development of quality vocational, technical and work values among youths and skilled professionals;
- ◆ To foster cooperation in vocational and technical education and training between member countries;
- ◆ To encourage close cooperation between governments, industry, unions and vocational training institutions; and
- ◆ To provide a recognition for technical excellence and develop a new generation of highly skilled professionals.

WorldSkills ASEAN Singapore 2020

For the first time, Singapore will be hosting the 13th WorldSkills ASEAN Competition in July 2020 at the Suntec Singapore Convention & Exhibition Centre.

The competition will see close to 300 top youth talents from the 10 ASEAN member countries competing in 22 skills areas.

Apart from the skills competition, WorldSkills ASEAN Singapore 2020 will also feature interactive activities to promote skills and a skilled career.

Expected Turnout

Over 20,000 attendees, including competition participants, students, teachers, international representatives from education and government bodies, industry partners and members of the public.

What to Expect at **WorldSkills ASEAN Singapore 2020**
